

VETERANS AND MILITARY

We support:

1. investigation/prosecution of sexual assault/harassment in civilian courts
2. full service and health care for LGBTQQAIA* individuals at all VA facilities
3. rigorous oversight of VA hospitals
4. increased funding and access to mental health services
5. requiring the VA to pay for veteran's medical care when a VA provider is more than 30 driving miles distant or the wait for services is more than 30 days
6. requiring VA physicians to inform and offer patients all potential treatments including cannabis
7. 24 hour holds for suicidal veterans at any VA facility
8. removing time limits for accessing the GI Bill and other educational benefits
9. increasing Veteran housing for post 9/11 Veterans
10. policies/funding, VA/VHA for rural and urban Iowa, employment assistance
11. National Guard Education Assistance Benefits for Summer School
12. citizenship for honorable service/discharges
13. adequate funding for troop training, logistics and support

We oppose:

14. privatization of VA hospitals and medical services
15. distributing combat equipment to LEOs and other public entities
16. using mercenaries/private military companies
17. testing for and denial of VA benefits for THC usage
18. stopping VA disability benefits if receiving social security
