

Amendment 30. To: Article VIII, Section 2, Subsection g

Submitted by: Kate Revaux

Amend language as follows:

Convention rules shall contain clear provisions for achieving gender balance within preference groups in keeping with the National Democratic Party requiring that the Iowa Delegation to the National Convention be gender balanced as a whole, and within each presidential preference group. The chair of the Committee on Rules and Nominations shall explain the provisions for achieving gender balance to the convention. Until such time as the National Democratic Party recognizes nonbinary, agender and genderqueer persons in the gender balance requirement, nonbinary, agender and genderqueer delegates will be from the male allotment.
